LIFE in Service Network

#LIFEinService

The LIFE (Lutheran Immersion & Formation Experiences) in Service Network includes Border Servant Corps, Lutheran Volunteer Corps, Urban Servant Corps, and Young Adults in Global Mission. All LIFE in Service organizations are ministries of the ELCA or are ELCA affiliated. Leaders from each organization work together to provide opportunities for people in the ELCA to live, learn, and serve in their setting. Based in accompaniment, intentional community, simplicity, spirituality, and sustainability, each program is committed to being ecumenical, interfaith, LGBTQ-affirming, and social and racial justice-centered.

Each year, more than 200 LIFE in Service volunteers serve within the United States and around the world. LIFE in Service organizations have more than 3,400 alumni who continue to live out the value of service in their lives.

The ELCA Young Adults website (www.elca.org/youngadults) has links to each program, under "Ministries."
