COMMUNITY

The impact of LVC in my life is that I know how to give back. It's allowing me to have the impact on kids' lives that all the [previous All Peoples' LVC] volunteers had on mine. I'm building all my communities in to one. My family, my neighborhood, my work, my LVC community and my church, are all rolling as one community.

— XAVIER THOMAS, '14-'15
Milwaukee, WI
Emerging Leader,
All Peoples Church

JUSTICE

LVC offered the opportunity to combine my passion for social justice and strategic communications, serving underprivileged populations through digital media storytelling."

— ASHLEY JOHNSON, '14-'15
Wilmington, DE
Communications Assistant,
Ministry of Caring

SUSTAINABILITY

I have known for some time that I wanted to do environmental work, but I didn't know in what capacity. I sought a way to incorporate faith-based ethics that promote justice for all of creation. My LVC placement at Earth Ministry has solidified my sense of vocation to being the intersection of faith and environment."
